

Hello All,

I am retracting several prior statements I made about Thomas Hanson and offering a formal apology to Tom.

Specifically, I previously made statements that may mischaracterized the nature of our relationship, including allegations regarding filming without consent and nonconsensual sexual behavior. I want to clarify that all sexual activity between us was fully consensual.

I also apologize for sending Joshua Moon a censored image of Tom and me during an intimate moment. Further, I apologize for providing the public with information that was inaccurate, incomplete, or conveyed in a misleading overall impression of my relationship with Tom. I deeply regret misleading the public.

I want to be clear that I take full responsibility for my actions. I have been in contact with Tom's representatives to ensure we have resolution on this matter, and I will not be making any further public statements about this matter as we consider this issue closed.
