Description	<p>This database contains a statewide index to nearly half a million divorces that were granted in Nevada between 1968 and 2005. Information available in this database includes: Name Spouse's name, Divorce date, County of divorce, and County File Number. Where to go from here: It is important that you use the information found in this database to lead you to the original record, as additional information about the divorce may be recorded. It is also important to verify the information listed in this index by checking the original source. Divorce records in Nevada are held at the county level. Therefore, certified copies of original records must be obtained from the county clerk of the county in which the divorce was obtained.</p>
