

Hey, Lisa

I want to proactively discuss voter and circulator protection for the 2026 initiative.

In my prior advocacy efforts, supporters were targeted by an out-of-state harassment forum that engages in doxxing and intimidation. As you can imagine, this can chill civic participation, so I wanted to understand what safeguards already exist and what best practices the county recommends to prevent anybody in Lincoln from being discouraged from supporting the brothel initiative.

Specifically, I'd appreciate guidance on records-request handling, redaction discretion, and the appropriate protocol, if voters report harassment connected to their participation. I do know that users on this site might email you and ask for electronic copies of anything related to this initiative.

I just wanted to let you know those people might try putting the affidavits and the petition sheets on that site. So if the law permits, definitely use discretion.

My goal is to ensure the process remains transparent, lawful, and safe for everyone involved.

Thank you for your time and guidance.

Happy new year.

Hi, the plug share app is saying almost every EV charger in Lincoln is under maintenance. So I will have to postpone my arrival until I can rent a gas car. I actually think March is best because it will be less cold (not fun signature collecting in the cold).

DESCRIPTION OF EFFECT

This Initiative proposes the re-legalization of brothels in Lincoln County. If passed, 4 brothels would be allowed to operate in the County. Brothels would *not* be allowed within the town limits of Alamo, Panaca or Pioche. Caliente would be allowed to determine if brothels would be allowed within its boundaries. Brothels would only be allowed to operate in industrial or general commercial zones with a special use permit. The 4 proposed brothels would not be allowed to operate within 1,200 feet of churches and schools. Brothels would also have to be 500 feet away from any dwellings. A \$10,000 quarterly licensing fee would be imposed on brothels, with the County potentially receiving \$160,000 annually from 4 possible brothels. Sex workers would be female and they must have weekly STD tests and must have monthly HIV tests.

Brothels must treat the sex workers with respect. Every sex worker must be given clean and comfortable working conditions. Any brothel owner who fails to meet the standards of care laid out by the proposed ordinance can have his or her license revoked.

LINCOLN COUNTY BROTHEL ORDINANCE INITIATIVE

THE PEOPLE OF THE COUNTY OF LINCOLN DO ENACT AS FOLLOWS:

Section 1. Short Title.

Sections 1 to 33, inclusive, may be cited as the **Lincoln County Brothel Ordinance**.

Section 2. Preamble.

In the interest of the public health and safety, the People of the County of Lincoln find and declare that brothels, also known as houses of prostitution, must be legal within Lincoln County.

Prostitution was once legal in Lincoln County. It wasn't until the Lincoln County election of 1978 that the voters decided to outlaw brothels. The People of Lincoln County seek to re-legalize brothels in Lincoln County.

Section 3. Definitions.

As used in sections 1 to 33, inclusive, of this Ordinance: the words "shall", "must" and "will" are mandatory.

1. "Census-Designated Place" means a concentration of population used for United States Census Bureau statistical purposes.
2. "County" means the geographical area of Lincoln County.
3. "Dwelling" means a house, duplex, apartment, townhouse, condominium, mobile home or any other building used primarily for residential purposes and such use is classified as residential in the county assessor code.
4. "House of prostitution" means a licensed brothel.
5. "Incorporated City" means a city organized pursuant to NRS 266.
6. "Licensed Brothel" means a building that is licensed and regulates the act of prostitution.
7. "Minor" means any person who is under the age of eighteen.
8. "Owner" means a person, LLC or corporation who owns and manages a brothel.
9. "Party" means a paid encounter between a patron and a sex worker that can be either sexual or non-sexual.
10. "Patron" means a person, above the age of eighteen, who solicits a sex worker for sexual activity.
11. "Prostitution" means engaging in sexual intercourse, oral-genital, oral-anal, or anal-genital contact, or any touching of the sexual organs, pubic region of a person or male or female breast with the intent of arousing or gratifying the sexual desire of either person for monetary consideration, whether by credit, cash, check, charge or barter.
12. "Regulated" means the act of ensuring that laws are followed.
13. "Sex worker" means a female over the age of eighteen who is licensed to work in a licensed brothel.

14. “Solicits” means to communicate to another person for the purpose of paying for sexual activity.

15. “Trafficking” means to force a person against their will to work as a sex worker in or outside of a licensed brothel.

16. “Unincorporated area” has the same meaning as “unincorporated towns”.

17. “Unincorporated town” means a specific unincorporated area within the County in which one or more governmental services are provided by the County.

Section 4. Limitations.

Sections 1 to 33 do not permit any person to engage in and do not prevent the imposition of any civil, criminal or other penalty for:

- (a) working as a prostitute outside of a licensed brothel.
- (b) soliciting a prostitute outside of a licensed brothel.
- (c) trafficking any individual in or outside of a licensed brothel.
- (d) assault or battery on a sex worker.
- (e) assault or battery on a patron.
- (f) assault or battery on a brothel owner.

Section 5. Privilege License.

No applicant for a license under this Ordinance or other matters requiring affirmative Board approval in order to operate a brothel has any right to the license or the granting of the approval sought. Any license issued or other Board approval granted pursuant to the provisions of this Ordinance is a revocable privilege and no holder, licensee or other recipient of the license or approval acquires any vested right therein or thereunder.

Section 6: Distinguished from Other Businesses of a Sexual Nature.

For the purposes of distinguishing, separating and maintaining business regulations and practices, brothels shall not fall under the same regulations as, nor shall they be classified as, “sexual oriented businesses,” as defined by Lincoln County Code 4-2-2, but shall be referred to as “brothels” or “houses of prostitution”.

Section 7. Prostitution Not an Offense or a Nuisance if Conducted in a Licensed Brothel.

The operation of a licensed brothel or house of prostitution within the County in accordance with the provisions of this Ordinance does not constitute a public nuisance or an offense to public decency.

Section 8: Unlawful Under Certain Conditions.

1. It is unlawful for any person, firm or corporation to engage in prostitution, or keep, own or operate a brothel or house of prostitution of any description within the County, except as provided in this Ordinance.

2. It is unlawful for any owner, operator, bartender, manager or other employee of a licensed brothel to allow any person to practice prostitution or to solicit business for a sex worker or to procure any person for the purpose of prostitution within the County, except within the premises of a licensed brothel and within the boundaries, as set forth in this Ordinance.

Section 9. Out-Dates Not Allowed Within the County.

1. Brothels may not allow sex workers to go on “out-dates”; meaning, sex workers may not be hired to accompany a patron outside of the brothel at which the sex worker is employed.

Section 10. Licensing and Control Board Created.

1. County Council Designated: The County Council, referred to herein as the "Board", shall act as a Prostitution Licensing and Control Board.

2. Duty: It shall be the duty of the Board to carry out and enforce the provisions of this Ordinance.

3. Schedule Of Fees: The Board shall follow the schedule of fees established in this Ordinance.

4. Powers: Powers of the Board shall include, but shall not be limited to, the power to:

A. Receive all license applications submitted under the provisions of this Ordinance;

B. Investigate all applicants for a license under the provisions of this Ordinance;

C. Grant or refuse to grant the license provided for in this Ordinance;

D. Receive complaints concerning alleged violations of this Ordinance;

E. Revoke or temporarily suspend or place restrictions and conditions on licenses issued under the terms of this Ordinance;

F. Place licensees on probation;

G. Exercise any proper power and authority necessary to perform its duties pursuant to this Ordinance; and

H. Hear appeals from decisions of the Lincoln County Sheriff's Office.

I. The powers of the Board enumerated above are not exclusive and shall not be interpreted in such a manner as to limit any other powers that the Board may otherwise possess.

Section 11. Brothel License Application, Contents.

1. Any person desiring to own or operate a brothel within the County (individually or collectively referred to as the "applicant" or "applicants") shall first apply to the Board for a brothel license. The license application shall satisfy the following requirements and contain the following information about the owner, the operator and any person who will act on behalf of the owner or

B. Names, ages and addresses of persons who are or will be personally responsible for the conduct and management of the brothel;

Good morning! Mr. Greer has reached out to let me know that he will be attempting to get a ballot question on for 2026 again concerning brothels in LC. Would you be so kind as to give me his target signature number? I've looped my new DA in on this as I'm sure I'll have to work with both you and her closely.

Happy Christmas!

I was going to aim for January 15th, if that works?

Please advise.
