

NikRTC, the self proclaimed "General of the RTC", with his aliases being Dust Nick, Nick, Dnick203, and some others.

Welcome to **the biggest document made on NikRTC**. Created as a result of the public finding out what he's done, with some doubts being cast on his credibility, it is believed it is a good time that everyone knows all the things he's done over the past 4 years or so. **Note that this has no relevance to the Soul drama**. This is **purely to go after Nik/Nick**.

This doc is to serve as a general collection of everything this guy has done wrong. This is a combination of the various tweets and documents made on him over the years.

If you really need to contact the doc creator i'll have some info at the Conclusions page.

Notes

Shit will dive into some nasty topics. This is your only warning.

Note that a lot of older screenshots will be pulled, his trail of actions goes all the way to 2021 even, but mainly are in 2022. We have since proven a good chunk of these things are him.
