STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

Yes, your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation. I also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. This fee, for just the footage, is \$3,000. This would need to be paid before it can be released.

Please let me know if you have any questions.

Scratch the request for "inspection," I didn't realize that would require an in person visit. I am requesting a copy of all body cam footage from the Nick Rekieta arrest on May 23, 2024 under Minnesota Statutes, Chapter 13.

I know the content of this application and affirm that the statements contained in this application are true based on my own knowledge, or are believed to be true.

I believe that the following described property and thing(s), namely:

Nicholas Robert Rekieta, Date of Birth 12/16/1981

located in the city or township of New London, County of Kandiyohi, State of Minnesota.

I apply for a search warrant on the following grounds:

- The possession of the property or things above-described constitutes a crime.
- The property or things above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The facts establishing the grounds for issuance of a search warrant are as follows:

Your Affiant is Detective Quin Pomplun, a licensed Peace Officer in the State of Minnesota since 2009. Your Affiant has been employed by the Kandiyohi County Sheriff's Office since 2013. Since 2018, Your Affiant has been assigned to the detective division on a full time

Case Background

On May 16th, 2024 Kandiyohi County Sheriff's Office Sergeant Dave Nester received a report regarding possible child neglect and controlled substance use. The reporter indicated that Nicholas Robert Rekieta, DOB 12-16-1981 resides at 12291 51st Street NE, Spicer, MN, in Kandiyohi County. He resides at this residence with his wife Kayla Christine Rekieta, DOB 3/9/1984 and 5 children ages 6 to 16. The reporter indicated that four people from their church had gone to him reporting neglect to the children, possible controlled substance use and a questionable relationship with an additional couple.

It was reported that Nicholas is a social media blogger and he and his wife Kayla had befriended hosts from a different local social media blogger. Those individuals were identified as Aaron Michael Imholte, DOB 12/24/1986 and April Diane Imholte, DOB 12/20/1994. Your Affiant knows personally these are personalities of the Steel Toe Morning Show, which used to be in St. Cloud, MN radio. However, as of recent years the show has been a social media entertainment show, strictly online based. It was reported that the Imholte's may have been staying with the Rekieta's and the home was in disarray and cluttered. It was reported from a church preschool teacher that the children had complained

of being hungry, not being fed, and wearing the same clothes for 3 to 4 days at a time and would start to smell. Nicholas was reported to being lethargic and appeared high or drugged driving a car around. Another individual advised the reported that Nicholas will walk out randomly during sermons at church and have noticed behavioral changes in him. It was alleged Kayla looks anorexic and Nicholas has lost a substantial amount of weight recently. One individual described Nicholas of having injection or track marks on his arms. The reporter reiterated concerns for possible neglect and/or controlled substance use within the home.

Your Affiant started to review the Rekieta's and Imholtes social media blogs. The blogs are commonly related to legal issues and high profile trials as Nicholas is a licensed attorney. Nicholas is known to drink alcoholic beverages excessively on these video blogs. I immediately noted that Nicholas's appearance in recent months has changed. In videos from January 2024 compared to May 2024, Nicholas appears to have lost weight, appears tired, and overall appears "strung out", common with controlled substance users. Nicholas commonly refers to his "studio" as his basement in his own residence. Nicholas has been the victim of Swatting phone calls and is known to Your Affiant and the Kandiyohi County Sheriff's Office because of these calls. When the Kandiyohi County Sheriff's Office responded to these calls, they were at 12291 51st St NE, Spicer, MN.

While reviewing Imholte's social media video blogs, Aaron recently indicated that he and April are getting a divorce. Aaron goes on to say that he has experimented with cocaine three times and Molly six or seven times in the past recently. On 12/19/2023, the Imholte's broadcasted a podcast from Rekeita's studio with the podcast being named "Live From Spicer! STES 12-19-23". Throughtout Imholte's video blogs it is apparent that they and the Rekeita'a were friends and may have recently had a falling out. It should be noted that in recent videos of the Imholte's, April has at times also appeared tired, lethargic, and strung out as well.

In both Nicholas' and Imholte's video blogs from Rekeita's studio, it is apparent they are in the same room and the items in the background appear the same. At one point during the Imholte's video, Nicholas walks in the background and grabs an item, which would show that the background is not a backdrop curtain and that it was the layout of the actual room.

On 5/22/2024, Imholte did a video blog where he talked about Nicholas and insinuated controlled substance use and also referenced a video blog the Nicholas put online on 5/21/2024 that had since been taken off the internet. Imholte indicates in this blog that Nicholas needs help and and needs to get help for his kids because of his substance abuse. Imholte points out a time in the video where Nicholas has a white powdery substance on his nose.

On 5/22/2024, Your Affiant was able to review the video that was taken off of Nicholas' YouTube and Rumble social media sites. The video is from 5/21/2024 and is of Nicholas in

his basement studio talking about a court appeals ruling he lost. He appears in the video to be drinking alcoholic beverages and eventually appears under the influence of a substance or substances. The entire video blog is 4 hours and 4 minutes long. Approximately 2:46 into the video, Nicholas leaves to go to use the restroom. When he returns at 2:50:40, he appears to be making an excited look and has a white powdery substance on his nose. Your Affiant believes his behavior is indicative of Central Nervous System Stimulants. Your Affiant believes based on training and experience as well as the behavior of Nicholas, that he ingested this white powdery substance through his nasal cavity while off camera. Your Affiant knows through training and experience that ingesting controlled substances through a nasal cavity is common amongst controlled substance users and is often referred to as "snorting". Your Affiant also noted that throughout the video, Nicholas is so under the influence of a substance to the point he has to close one eye to read his screen, rambles, and slurs his speech. Nicholas would obviously not be able to care for his children in this state of intoxication.

It should be noted that Your Affiant was a Drug Recognition evaluator for several years and based on Your Affiant's training and experience, the behavior of Nicholas in his video blog indicates Poly substance use, meaning it is believed he was ingesting more than one substance based on his behavior, being both excited and nearly passing out. This can be consistent behavior of using both CNS Stimulants and Depressants.

Your Affiant believes that the reports of neglect and controlled substance use are consistent with the previously mentioned information. Your Affiant is requesting to search 12291 51st St NE, Spicer, MN for the above listed items in relation to the welfare of the children in the home and in relation to a controlled substance investigation. Your Affiant is also requesting to search Nicholas Rekieta.

Good afternoon,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekieta's.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

Hello, sorry to bother you again.

I had a question about the arrest of Nicholas Rekieta and Kayla Rekieta. Were they tested for alcohol and/or drug concentration in their bodies upon arrest/whilst in custody? If so, what were the amounts? Is this information you could provide to me? If not, where should I ask for it? The district court indicated to me that this is a question only "the arresting law enforcement agency" could answer for me. I believe that would be your office.

Thank you for your time.

Respectfully,

Kajus

Yes, I have tried the MCRO, but I don't have a case number, and it does not allow to search by the name of the charged person until conviction. I will contact local courthouse instead.

Additionally, this is further proof that the press received the complaint (https://x.com/Seth_Kaplan/status/1794042675408040120) as they show off parts of it there. https://x.com/Seth_Kaplan/status/1794042675408040120

In the arraignment hearing today the complaint was mentioned but not read out. The press seem to have gotten a look at the complaint (<https://www.fox9.com/news/nick-rekieta-mn-lawyer-youtuber-facing-drug-charge>). Certainly the details therein were ones not visible from the ICR. Would it be possible for me to receive the complaint too? Considering the judge offered to read the complaint aloud (the defendants refused), I do not believe it is a sensitive matter (the hearing was public).

Thank you for your time and consideration.

Would it be possible to get the arrest record, on scene officer's report, and body cam footage (all together, one, or any combination of the requested items) of the 5/23/24 drug possession arrest of Nicholas Rekieta (booking nr. 26991) and Kaya Rekieta (booking nr. 26992), and how much would it cost? If the answer is in the affirmative, would payment online (credit card portal, bank transfer, paypal, etc) be acceptable?

Right to Access Public Data

The Government Data Practices Act (Minnesota Statutes, Chapter 13) presumes that all government data are public unless a state or federal law says the data are not public. Government data is a term that means all recorded information a government entity has, including paper, email, DVD's, photographs, etc.

The Government Data Practices Act also provides that Kandiyohi County must keep all government data in a way that makes it easy for you, as a member of the public, to access public data. You have the right to look at (inspect), free of charge, all public data that we keep. You also have the right to get copies of public data. The Government Data Practices Act allows us to charge for copies. You have the right to look at data, free of charge, before deciding to request copies.

How to Make a Data Request

To look at data or request copies of data that Kandiyohi County keeps, make a written request. Make your written request for data to the appropriate department listed in the Data Practices Contacts document on page 3. You may make your written request for data by mail, fax, or email, using the data request form. (See appropriate Department for Data Request Form)

If you choose not to use the data request form, your written request should include:

- that you, as a member of the public, are making a request for data under the Government Data Practices Act, Minnesota Statutes, Chapter 13;
- whether you would like to look at the data, get copies of the data, or both; and
- a clear description of the data you would like to inspect or have copied.

Kandiyohi County cannot require you, as a member of the public, to identify yourself or explain the reason for your data request. However, depending on how you want us to process your request (if, for example, you want us to mail you copies of data), we may need some information about you. If you choose not to give us any identifying information, we will provide you with contact information so you may check on the status of your request. In addition, please keep in mind that if we do not understand your request and have no way to contact you, we will not be able to begin processing your request.

How We Respond to a Data Request

Upon receiving your written request, we will work to process it.

- If we do not have the data, we will notify you in writing as soon as reasonably possible.

- If we have the data, but the data are not public, we will notify you in writing as soon as reasonably possible and state which specific law says the data are not public.
- If we have the data, and the data are public, we will respond to your request appropriately and promptly, within a reasonable amount of time by doing one of the following:
 - arrange a date, time and place to inspect data, for free, if your request is to look at the data, or
 - provide you with copies of the data as soon as reasonably possible. You may choose to pick up your copies, or we will mail or fax them to you. If you want us to send you the copies, you will need to provide us with an address or fax number. We will provide electronic copies (such as email or CD-ROM) upon request if we keep the data in electronic format. Information about copy charges is available in the department you made your request for data.

If you do not understand some of the data (technical terminology, abbreviations, or acronyms), please contact the appropriate Kandiyohi department listed on page 3, for an explanation.

The Government Data Practices Act does not require us to create or collect new data in response to a data request if we do not already have the data, or to provide data in a specific form or arrangement if we do not keep the data in that form or arrangement. (For example, if the data you request are on paper only, we are not required to create electronic documents to respond to your request) If we agree to create data in response to your request, we will work with you on the details of your request, including cost and response time.

In addition, the Government Data Practices Act does not require us to answer questions that are not requests for data.

Requests for Summary Data

Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data. Kandiyohi County will prepare summary data if you make your request in writing and pre-pay for the cost of creating the data. Upon receiving your written request – you may use the data request form. We will respond within ten business days with the data or details of when the data will be ready and how much we will charge.

If you have any questions regarding access to public data that we keep, please contact the appropriate Kandiyohi County Department listed on page 3.

In addition, if we do not understand your request and need to get clarification from you, without contact information we will not be able to begin processing your request until you contact us.

Kandiyohi County will respond to your request as soon as reasonably possible.

Copy costs – Members of the Public Kandiyohi County

Kandiyohi County charges members of the public for copies of government data. These charges are authorized under Minnesota Statutes, section 13.03, subdivision 3(c).

You must pay for copies before we will give them to you.

For 100 or Fewer Paper Copies – 25 Cents per page

100 or fewer pages of black and white, letter or legal size paper copies cost 25 cents for a one-sided copy, or 50 cents for a two-sided copy.

Most Other Types of Copies – Actual Cost

The charge for most other types of copies, when a charge is not set by statute or rule, is the actual cost of searching for and retrieving the data and making the copies or electronically transmitting the data (e.g. sending the data by email).

In determining the actual cost of making copies, we factor in employee time to search for and retrieve the data, the cost of the materials onto which we are copying the data (paper, CD, DVD, etc.) and mailing costs (if any). If your request is for copies of data that we cannot reproduce ourselves, such as photographs, we will charge you the actual cost we must pay an outside vendor for the copies.

If, because of the subject matter of your request, we find it necessary for a higher-paid employee to search for and retrieve the data, we will calculate the search and retrieval portion of the copy charge at the higher salary/wage.

Copy Charges for Data with Commercial Value

We calculate copy charges on a case-by-case basis for providing copies of data that have commercial value.

COLLECTION OF COPYING FEES

Fees shall be collected before releasing copies. Under no circumstances will fees be “charged” and billed to the requester.

I am looking for information regarding the arrest of Nicholas Robert Rekieta on May 23, 2024. Would like any police report and bodycam footage. Is it possible for any of that to be sent as a e-mail attachment or would it need to be put on a DVD and mailed to me?

Thank you,

I believe that the following described property and thing(s), namely:

Controlled substances, including methamphetamine, cocaine, or any other controlled substances prohibited by law and paraphernalia commonly associated with the sales/uses of controlled substances.

12291 51st St NE, Spicer, MN. The residence has a tar driveway leading east from 51st St NE. The residence is 2 stories with a 3 stall garage. The main door is located on the south or southwest side of the residence.

Nicholas Robert Rekieta, Date of Birth 12/16/1981

located in the city or township of New London, County of Kandiyohi, State of Minnesota.

I apply for a search warrant on the following grounds:

- The possession of the property or things above-described constitutes a crime.
- The property or things above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The facts establishing the grounds for issuance of a search warrant are as follows:

Case Background

On May 16th, 2024 Kandiyohi County Sheriff's Office Sergeant Dave Nester received a report regarding possible child neglect and controlled substance use. The reporter indicated that Nicholas Robert Rekieta, DOB 12-16-1981 resides at 12291 51st Street NE, Spicer, MN, in Kandiyohi County. He resides at this residence with his wife Kayla Christine Rekieta, DOB 3/9/1984 and 5 children ages 6 to 16. The reporter indicated that four people from their church had gone to him reporting neglect to the children, possible controlled substance use and a questionable relationship with an additional couple.

It was reported that Nicholas is a social media blogger and he and his wife Kayla had befriended hosts from a different local social media blogger. Those individuals were identified as Aaron Michael Imholte, DOB 12/24/1986 and April Diane Imholte, DOB 12/20/1994. Your Affiant knows personally these are personalities of the Steel Toe Morning Show, which used to be in St. Cloud, MN radio. However, as of recent years the show has been a social media entertainment show, strictly online based. It was reported that the Imholte's may have been staying with the Rekieta's and the home was in disarray and cluttered. It was reported from a church preschool teacher that the children had complained

of being hungry, not being fed, and wearing the same clothes for 3 to 4 days at a time and would start to smell. Nicholas was reported to being lethargic and appeared high or drugged driving a car around. Another individual advised the reported that Nicholas will walk out randomly during sermons at church and have noticed behavioral changes in him. It was alleged Kayla looks anorexic and Nicholas has lost a substantial amount of weight recently. One individual described Nicholas of having injection or track marks on his arms. The reporter reiterated concerns for possible neglect and/or controlled substance use within the home.

Your Affiant started to review the Rekieta's and Imholtes social media blogs. The blogs are commonly related to legal issues and high profile trials as Nicholas is a licensed attorney. Nicholas is known to drink alcoholic beverages excessively on these video blogs. I immediately noted that Nicholas's appearance in recent months has changed. In videos from January 2024 compared to May 2024, Nicholas appears to have lost weight, appears tired, and overall appears "strung out", common with controlled substance users. Nicholas commonly refers to his "studio" as his basement in his own residence. Nicholas has been the victim of Swatting phone calls and is known to Your Affiant and the Kandiyohi County Sheriff's Office because of these calls. When the Kandiyohi County Sheriff's Office responded to these calls, they were at 12291 51st St NE, Spicer, MN.

While reviewing Imholte's social media video blogs, Aaron recently indicated that he and April are getting a divorce. Aaron goes on to say that he has experimented with cocaine three times and Molly six or seven times in the past recently. On 12/19/2023, the Imholte's broadcasted a podcast from Rekeita's studio with the podcast being named "Live From Spicer! STES 12-19-23". Throughtout Imholte's video blogs it is apparent that they and the Rekeita'a were friends and may have recently had a falling out. It should be noted that in recent videos of the Imholte's, April has at times also appeared tired, lethargic, and strung out as well.

In both Nicholas' and Imholte's video blogs from Rekeita's studio, it is apparent they are in the same room and the items in the background appear the same. At one point during the Imholte's video, Nicholas walks in the background and grabs an item, which would show that the background is not a backdrop curtain and that it was the layout of the actual room.

On 5/22/2024, Imholte did a video blog where he talked about Nicholas and insinuated controlled substance use and also referenced a video blog the Nicholas put online on 5/21/2024 that had since been taken off the internet. Imholte indicates in this blog that Nicholas needs help and and needs to get help for his kids because of his substance abuse. Imholte points out a time in the video where Nicholas has a white powdery substance on his nose.

On 5/22/2024, Your Affiant was able to review the video that was taken off of Nicholas' YouTube and Rumble social media sites. The video is from 5/21/2024 and is of Nicholas in

his basement studio talking about a court appeals ruling he lost. He appears in the video to be drinking alcoholic beverages and eventually appears under the influence of a substance or substances. The entire video blog is 4 hours and 4 minutes long. Approximately 2:46 into the video, Nicholas leaves to go to use the restroom. When he returns at 2:50:40, he appears to be making an excited look and has a white powdery substance on his nose. Your Affiant believes his behavior is indicative of Central Nervous System Stimulants. Your Affiant believes based on training and experience as well as the behavior of Nicholas, that he ingested this white powdery substance through his nasal cavity while off camera. Your Affiant knows through training and experience that ingesting controlled substances through a nasal cavity is common amongst controlled substance users and is often referred to as "snorting". Your Affiant also noted that throughout the video, Nicholas is so under the influence of a substance to the point he has to close one eye to read his screen, rambles, and slurs his speech. Nicholas would obviously not be able to care for his children in this state of intoxication.

It should be noted that Your Affiant was a Drug Recognition evaluator for several years and based on Your Affiant's training and experience, the behavior of Nicholas in his video blog indicates Poly substance use, meaning it is believed he was ingesting more than one substance based on his behavior, being both excited and nearly passing out. This can be consistent behavior of using both CNS Stimulants and Depressants.

Your Affiant believes that the reports of neglect and controlled substance use are consistent with the previously mentioned information. Your Affiant is requesting to search 12291 51st St NE, Spicer, MN for the above listed items in relation to the welfare of the children in the home and in relation to a controlled substance investigation. Your Affiant is also requesting to search Nicholas Rekieta.

Hello.

My name is Scott Christy-Jones and I'm a journalist based in London, UK.

Do you have any more information with regards to the arrest of Nick Rekieta, his wife and his 'Nanny' that you can share.

I've attached a screenshot with regards to the specifics of these individuals.

I'm sure you're dealing with a lot of enquiries currently. I'm just trying to piece together what has happened with regards to the allegations, then the arrest and the charges.

Apologies for this being a vague request as such but there's sooo many questions about this high profile person and what is going on.

Best

Scott.

How to Make a Data Request

To look at data or request copies of data that Kandiyohi County keeps, make a written request. Make your written request for data to the appropriate department listed in the Data Practices Contacts document on page 3. You may make your written request for data by mail, fax, or email, using the data request form. (See appropriate Department for Data Request Form)

If you choose not to use the data request form, your written request should include:

- that you, as a member of the public, are making a request for data under the Government Data Practices Act, Minnesota Statutes, Chapter 13;
- whether you would like to look at the data, get copies of the data, or both; and
- a clear description of the data you would like to inspect or have copied.

Kandiyohi County cannot require you, as a member of the public, to identify yourself or explain the reason for your data request. However, depending on how you want us to process your request (if, for example, you want us to mail you copies of data), we may need some information about you. If you choose not to give us any identifying information, we will provide you with contact information so you may check on the status of your request. In addition, please keep in mind that if we do not understand your request and have no way to contact you, we will not be able to begin processing your request.

How We Respond to a Data Request

Upon receiving your written request, we will work to process it.

- If we do not have the data, we will notify you in writing as soon as reasonably possible.

- If we have the data, but the data are not public, we will notify you in writing as soon as reasonably possible and state which specific law says the data are not public.
- If we have the data, and the data are public, we will respond to your request appropriately and promptly, within a reasonable amount of time by doing one of the following:
 - arrange a date, time and place to inspect data, for free, if your request is to look at the data, or
 - provide you with copies of the data as soon as reasonably possible. You may choose to pick up your copies, or we will mail or fax them to you. If you want us to send you the copies, you will need to provide us with an address or fax number. We will provide electronic copies (such as email or CD-ROM) upon request if we keep the data in electronic format. Information about copy charges is available in the department you made your request for data.

If you do not understand some of the data (technical terminology, abbreviations, or acronyms), please contact the appropriate Kandiyohi department listed on page 3, for an explanation.

The Government Data Practices Act does not require us to create or collect new data in response to a data request if we do not already have the data, or to provide data in a specific form or arrangement if we do not keep the data in that form or arrangement. (For example, if the data you request are on paper only, we are not required to create electronic documents to respond to your request) If we agree to create data in response to your request, we will work with you on the details of your request, including cost and response time.

In addition, the Government Data Practices Act does not require us to answer questions that are not requests for data.

Requests for Summary Data

Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data. Kandiyohi County will prepare summary data if you make your request in writing and pre-pay for the cost of creating the data. Upon receiving your written request – you may use the data request form. We will respond within ten business days with the data or details of when the data will be ready and how much we will charge.

If you have any questions regarding access to public data that we keep, please contact the appropriate Kandiyohi County Department listed on page 3.

Copy costs – Members of the Public Kandiyohi County

Kandiyohi County charges members of the public for copies of government data. These charges are authorized under Minnesota Statutes, section 13.03, subdivision 3(c).

You must pay for copies before we will give them to you.

For 100 or Fewer Paper Copies – 25 Cents per page

100 or fewer pages of black and white, letter or legal size paper copies cost 25 cents for a one-sided copy, or 50 cents for a two-sided copy.

Most Other Types of Copies – Actual Cost

The charge for most other types of copies, when a charge is not set by statute or rule, is the actual cost of searching for and retrieving the data and making the copies or electronically transmitting the data (e.g. sending the data by email).

In determining the actual cost of making copies, we factor in employee time to search for and retrieve the data, the cost of the materials onto which we are copying the data (paper, CD, DVD, etc.) and mailing costs (if any). If your request is for copies of data that we cannot reproduce ourselves, such as photographs, we will charge you the actual cost we must pay an outside vendor for the copies.

If, because of the subject matter of your request, we find it necessary for a higher-paid employee to search for and retrieve the data, we will calculate the search and retrieval portion of the copy charge at the higher salary/wage.

Copy Charges for Data with Commercial Value

We calculate copy charges on a case-by-case basis for providing copies of data that have commercial value.

COLLECTION OF COPYING FEES

Fees shall be collected before releasing copies. Under no circumstances will fees be “charged” and billed to the requester.

Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

I know the content of this application and affirm that the statements contained in this application are true based on my own knowledge, or are believed to be true.

I believe that the following described property and thing(s), namely:

Controlled substances, including methamphetamine, cocaine, or any other controlled substances prohibited by law and paraphernalia commonly associated with the sales/uses of controlled substances.

Items that would show controlled substance use that would not qualify as legal drug paraphernalia

is or are at the premises, and on the person(s) described as:

12291 51st St NE, Spicer, MN. The residence has a tar driveway leading east from 51st St NE. The residence is 2 stories with a 3 stall garage. The main door is located on the south or southwest side of the residence.

Nicholas Robert Rekieta, Date of Birth 12/16/1981

located in the city or township of New London, County of Kandiyohi, State of Minnesota.

I apply for a search warrant on the following grounds:

- The possession of the property or things above-described constitutes a crime.

The facts establishing the grounds for issuance of a search warrant are as follows:

Your Affiant is Detective Quin Pomplun, a licensed Peace Officer in the State of Minnesota since 2009. Your Affiant has been employed by the Kandiyohi County Sheriff's Office since 2013. Since 2018, Your Affiant has been assigned to the detective division on a full time

The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. This fee, for just the footage, is \$3,000. This would need to be paid before it can be released.

Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

SIGNATURES AND APPROVALS

Complainant requests that Defendant, subject to bail or conditions of release, be:
(1) arrested or that other lawful steps be taken to obtain Defendant's appearance in court; or

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

Thank you. Just a quick question for clarification:

I make dozens of FOIA requests to PDs per day and have never gotten a quote as high as \$3000 for bodycam footage. So I'm just wondering what's different about your PD's process that creates such a high quote. For instance, here is a recent quote from another PD:

It looks like it will take a total of 14 hours to research, review and redact the 45 body cams. You get the first 2 hour free. 12 hours x \$29.25 an hour would estimate \$351.00

I'm only looking for a few hours of footage at most: the presentation of the warrant and the post-Miranda interview, if available. Please advise.

Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

Sorry, just to add to this, if Mr. Rekieta was interviewed at a police station with a mounted camera, I'd like that footage as well. I'm okay with whatever redactions and fees required. Thank you.

The estimated cost is based on the hourly rate of \$60 for forensic staff as well as the volume of bodycam footage requiring review.

Right to Access Public Data

The Government Data Practices Act (Minnesota Statutes, Chapter 13) presumes that all government data are public unless a state or federal law says the data are not public. Government data is a term that means all recorded information a government entity has, including paper, email, DVD's, photographs, etc.

The Government Data Practices Act also provides that Kandiyohi County must keep all government data in a way that makes it easy for you, as a member of the public, to access public data. You have the right to look at (inspect), free of charge, all public data that we keep. You also have the right to get copies of public data. The Government Data Practices Act allows us to charge for copies. You have the right to look at data, free of charge, before deciding to request copies.

How to Make a Data Request

To look at data or request copies of data that Kandiyohi County keeps, make a written request. Make your written request for data to the appropriate department listed in the Data Practices Contacts document on page 3. You may make your written request for data by mail, fax, or email, using the data request form. (See appropriate Department for Data Request Form)

If you choose not to use the data request form, your written request should include:

- that you, as a member of the public, are making a request for data under the Government Data Practices Act, Minnesota Statutes, Chapter 13;
- whether you would like to look at the data, get copies of the data, or both; and
- a clear description of the data you would like to inspect or have copied.

Kandiyohi County cannot require you, as a member of the public, to identify yourself or explain the reason for your data request. However, depending on how you want us to process your request (if, for example, you want us to mail you copies of data), we may need some information about you. If you choose not to give us any identifying information, we will provide you with contact information so you may check on the status of your request. In addition, please keep in mind that if we do not understand your request and have no way to contact you, we will not be able to begin processing your request.

How We Respond to a Data Request

Upon receiving your written request, we will work to process it.

- If we do not have the data, we will notify you in writing as soon as reasonably possible.

- If we have the data, but the data are not public, we will notify you in writing as soon as reasonably possible and state which specific law says the data are not public.
- If we have the data, and the data are public, we will respond to your request appropriately and promptly, within a reasonable amount of time by doing one of the following:
 - arrange a date, time and place to inspect data, for free, if your request is to look at the data, or
 - provide you with copies of the data as soon as reasonably possible. You may choose to pick up your copies, or we will mail or fax them to you. If you want us to send you the copies, you will need to provide us with an address or fax number. We will provide electronic copies (such as email or CD-ROM) upon request if we keep the data in electronic format. Information about copy charges is available in the department you made your request for data.

If you do not understand some of the data (technical terminology, abbreviations, or acronyms), please contact the appropriate Kandiyohi department listed on page 3, for an explanation.

The Government Data Practices Act does not require us to create or collect new data in response to a data request if we do not already have the data, or to provide data in a specific form or arrangement if we do not keep the data in that form or arrangement. (For example, if the data you request are on paper only, we are not required to create electronic documents to respond to your request) If we agree to create data in response to your request, we will work with you on the details of your request, including cost and response time.

In addition, the Government Data Practices Act does not require us to answer questions that are not requests for data.

Requests for Summary Data

Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data. Kandiyohi County will prepare summary data if you make your request in writing and pre-pay for the cost of creating the data. Upon receiving your written request – you may use the data request form. We will respond within ten business days with the data or details of when the data will be ready and how much we will charge.

If you have any questions regarding access to public data that we keep, please contact the appropriate Kandiyohi County Department listed on page 3.

Kandiyohi County will respond to your request as soon as reasonably possible.

Copy costs – Members of the Public Kandiyohi County

Kandiyohi County charges members of the public for copies of government data. These charges are authorized under Minnesota Statutes, section 13.03, subdivision 3(c).

You must pay for copies before we will give them to you.

For 100 or Fewer Paper Copies – 25 Cents per page

100 or fewer pages of black and white, letter or legal size paper copies cost 25 cents for a one-sided copy, or 50 cents for a two-sided copy.

Most Other Types of Copies – Actual Cost

The charge for most other types of copies, when a charge is not set by statute or rule, is the actual cost of searching for and retrieving the data and making the copies or electronically transmitting the data (e.g. sending the data by email).

In determining the actual cost of making copies, we factor in employee time to search for and retrieve the data, the cost of the materials onto which we are copying the data (paper, CD, DVD, etc.) and mailing costs (if any). If your request is for copies of data that we cannot reproduce ourselves, such as photographs, we will charge you the actual cost we must pay an outside vendor for the copies.

If, because of the subject matter of your request, we find it necessary for a higher-paid employee to search for and retrieve the data, we will calculate the search and retrieval portion of the copy charge at the higher salary/wage.

Copy Charges for Data with Commercial Value

We calculate copy charges on a case-by-case basis for providing copies of data that have commercial value.

COLLECTION OF COPYING FEES

Fees shall be collected before releasing copies. Under no circumstances will fees be “charged” and billed to the requester.

Hello, I am requesting the Incident report and the lapel video camera worn by the responding officer(s) of the Incident regarding the arrest of Nick Rekieta on 5/23/24.

Right to Access Public Data

The Government Data Practices Act (Minnesota Statutes, Chapter 13) presumes that all government data are public unless a state or federal law says the data are not public. Government data is a term that means all recorded information a government entity has, including paper, email, DVD's, photographs, etc.

The Government Data Practices Act also provides that Kandiyohi County must keep all government data in a way that makes it easy for you, as a member of the public, to access public data. You have the right to look at (inspect), free of charge, all public data that we keep. You also have the right to get copies of public data. The Government Data Practices Act allows us to charge for copies. You have the right to look at data, free of charge, before deciding to request copies.

How to Make a Data Request

To look at data or request copies of data that Kandiyohi County keeps, make a written request. Make your written request for data to the appropriate department listed in the Data Practices Contacts document on page 3. You may make your written request for data by mail, fax, or email, using the data request form. (See appropriate Department for Data Request Form)

If you choose not to use the data request form, your written request should include:

- that you, as a member of the public, are making a request for data under the Government Data Practices Act, Minnesota Statutes, Chapter 13;
- whether you would like to look at the data, get copies of the data, or both; and
- a clear description of the data you would like to inspect or have copied.

Kandiyohi County cannot require you, as a member of the public, to identify yourself or explain the reason for your data request. However, depending on how you want us to process your request (if, for example, you want us to mail you copies of data), we may need some information about you. If you choose not to give us any identifying information, we will provide you with contact information so you may check on the status of your request. In addition, please keep in mind that if we do not understand your request and have no way to contact you, we will not be able to begin processing your request.

How We Respond to a Data Request

Upon receiving your written request, we will work to process it.

- If we do not have the data, we will notify you in writing as soon as reasonably possible.

- If we have the data, but the data are not public, we will notify you in writing as soon as reasonably possible and state which specific law says the data are not public.
- If we have the data, and the data are public, we will respond to your request appropriately and promptly, within a reasonable amount of time by doing one of the following:
 - arrange a date, time and place to inspect data, for free, if your request is to look at the data, or
 - provide you with copies of the data as soon as reasonably possible. You may choose to pick up your copies, or we will mail or fax them to you. If you want us to send you the copies, you will need to provide us with an address or fax number. We will provide electronic copies (such as email or CD-ROM) upon request if we keep the data in electronic format. Information about copy charges is available in the department you made your request for data.

If you do not understand some of the data (technical terminology, abbreviations, or acronyms), please contact the appropriate Kandiyohi department listed on page 3, for an explanation.

The Government Data Practices Act does not require us to create or collect new data in response to a data request if we do not already have the data, or to provide data in a specific form or arrangement if we do not keep the data in that form or arrangement. (For example, if the data you request are on paper only, we are not required to create electronic documents to respond to your request) If we agree to create data in response to your request, we will work with you on the details of your request, including cost and response time.

In addition, the Government Data Practices Act does not require us to answer questions that are not requests for data.

Requests for Summary Data

Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data. Kandiyohi County will prepare summary data if you make your request in writing and pre-pay for the cost of creating the data. Upon receiving your written request – you may use the data request form. We will respond within ten business days with the data or details of when the data will be ready and how much we will charge.

If you have any questions regarding access to public data that we keep, please contact the appropriate Kandiyohi County Department listed on page 3.

**Data Request Form – Members of the Public

Contact Information

Address: _____

Phone number: _____ Email address: cosmicmarauder33@gmail.com

You do not have to provide any of the above contact information. However, if you want us to mail you copies of data, we need some type of contact information. In addition, if we do not understand your request and need to get clarification from you, without contact information we will not be able to begin processing your request until you contact us.

Scratch the request for "inspection," I didn't realize that would require an in person visit. I am requesting a copy of all body cam footage from the Nick Rekieta arrest on May 23, 2024 under Minnesota Statutes, Chapter 13.

Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

Scratch the request for "inspection," I didn't realize that would require an in person visit. I am requesting a copy of all body cam footage from the Nick Rekieta arrest on May 23, 2024 under Minnesota Statutes, Chapter 13.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

Scratch the request for "inspection," I didn't realize that would require an in person visit. I am requesting a copy of all body cam footage from the Nick Rekieta arrest on May 23, 2024 under Minnesota Statutes, Chapter 13.

I'm confused. In the first bullet point here it says that bodycam data is considered private/nonpublic UNLESS it has to do with an active criminal investigation. This is an active criminal investigation right? So it should be public? Or am I just a complete idiot and missing something?

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. I am looking for information regarding the arrest of Nicholas Robert Rekieta on May 23, 2024. Would like any police report and bodycam footage. Is it possible for any of that to be sent as a e-mail attachment or would it need to be put on a DVD and mailed to me?

Thank you,

Right to Access Public Data

The Government Data Practices Act (Minnesota Statutes, Chapter 13) presumes that all government data are public unless a state or federal law says the data are not public. Government data is a term that means all recorded information a government entity has, including paper, email, DVD's, photographs, etc.

The Government Data Practices Act also provides that Kandiyohi County must keep all government data in a way that makes it easy for you, as a member of the public, to access public data. You have the right to look at (inspect), free of charge, all public data that we keep. You also have the right to get copies of public data. The Government Data Practices Act allows us to charge for copies. You have the right to look at data, free of charge, before deciding to request copies.

How to Make a Data Request

To look at data or request copies of data that Kandiyohi County keeps, make a written request. Make your written request for data to the appropriate department listed in the Data Practices Contacts document on page 3. You may make your written request for data by mail, fax, or email, using the data request form. (See appropriate Department for Data Request Form)

If you choose not to use the data request form, your written request should include:

- that you, as a member of the public, are making a request for data under the Government Data Practices Act, Minnesota Statutes, Chapter 13;
- whether you would like to look at the data, get copies of the data, or both; and
- a clear description of the data you would like to inspect or have copied.

Kandiyohi County cannot require you, as a member of the public, to identify yourself or explain the reason for your data request. However, depending on how you want us to process your request (if, for example, you want us to mail you copies of data), we may need some information about you. If you choose not to give us any identifying information, we will provide you with contact information so you may check on the status of your request. In addition, please keep in mind that if we do not understand your request and have no way to contact you, we will not be able to begin processing your request.

How We Respond to a Data Request

Upon receiving your written request, we will work to process it.

- If we do not have the data, we will notify you in writing as soon as reasonably possible.

- If we have the data, but the data are not public, we will notify you in writing as soon as reasonably possible and state which specific law says the data are not public.
- If we have the data, and the data are public, we will respond to your request appropriately and promptly, within a reasonable amount of time by doing one of the following:
 - arrange a date, time and place to inspect data, for free, if your request is to look at the data, or
 - provide you with copies of the data as soon as reasonably possible. You may choose to pick up your copies, or we will mail or fax them to you. If you want us to send you the copies, you will need to provide us with an address or fax number. We will provide electronic copies (such as email or CD-ROM) upon request if we keep the data in electronic format. Information about copy charges is available in the department you made your request for data.

If you do not understand some of the data (technical terminology, abbreviations, or acronyms), please contact the appropriate Kandiyohi department listed on page 3, for an explanation.

The Government Data Practices Act does not require us to create or collect new data in response to a data request if we do not already have the data, or to provide data in a specific form or arrangement if we do not keep the data in that form or arrangement. (For example, if the data you request are on paper only, we are not required to create electronic documents to respond to your request) If we agree to create data in response to your request, we will work with you on the details of your request, including cost and response time.

In addition, the Government Data Practices Act does not require us to answer questions that are not requests for data.

Requests for Summary Data

Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data. Kandiyohi County will prepare summary data if you make your request in writing and pre-pay for the cost of creating the data. Upon receiving your written request – you may use the data request form. We will respond within ten business days with the data or details of when the data will be ready and how much we will charge.

If you have any questions regarding access to public data that we keep, please contact the appropriate Kandiyohi County Department listed on page 3.

You do not have to provide any of the above contact information. However, if you want us to mail you copies of data, we need some type of contact information. In addition, if we do not understand your request and need to get clarification from you, without contact information we will not be able to begin processing your request until you contact us.

Copy costs – Members of the Public Kandiyohi County

Kandiyohi County charges members of the public for copies of government data. These charges are authorized under Minnesota Statutes, section 13.03, subdivision 3(c).

You must pay for copies before we will give them to you.

For 100 or Fewer Paper Copies – 25 Cents per page

100 or fewer pages of black and white, letter or legal size paper copies cost 25 cents for a one-sided copy, or 50 cents for a two-sided copy.

Most Other Types of Copies – Actual Cost

The charge for most other types of copies, when a charge is not set by statute or rule, is the actual cost of searching for and retrieving the data and making the copies or electronically transmitting the data (e.g. sending the data by email).

In determining the actual cost of making copies, we factor in employee time to search for and retrieve the data, the cost of the materials onto which we are copying the data (paper, CD, DVD, etc.) and mailing costs (if any). If your request is for copies of data that we cannot reproduce ourselves, such as photographs, we will charge you the actual cost we must pay an outside vendor for the copies.

If, because of the subject matter of your request, we find it necessary for a higher-paid employee to search for and retrieve the data, we will calculate the search and retrieval portion of the copy charge at the higher salary/wage.

Copy Charges for Data with Commercial Value

We calculate copy charges on a case-by-case basis for providing copies of data that have commercial value.

COLLECTION OF COPYING FEES

Fees shall be collected before releasing copies. Under no circumstances will fees be “charged” and billed to the requester.

Right to Access Public Data

The Government Data Practices Act (Minnesota Statutes, Chapter 13) presumes that all government data are public unless a state or federal law says the data are not public. Government data is a term that means all recorded information a government entity has, including paper, email, DVD's, photographs, etc.

The Government Data Practices Act also provides that Kandiyohi County must keep all government data in a way that makes it easy for you, as a member of the public, to access public data. You have the right to look at (inspect), free of charge, all public data that we keep. You also have the right to get copies of public data. The Government Data Practices Act allows us to charge for copies. You have the right to look at data, free of charge, before deciding to request copies.

How to Make a Data Request

To look at data or request copies of data that Kandiyohi County keeps, make a written request. Make your written request for data to the appropriate department listed in the Data Practices Contacts document on page 3. You may make your written request for data by mail, fax, or email, using the data request form. (See appropriate Department for Data Request Form)

If you choose not to use the data request form, your written request should include:

- that you, as a member of the public, are making a request for data under the Government Data Practices Act, Minnesota Statutes, Chapter 13;
- whether you would like to look at the data, get copies of the data, or both; and
- a clear description of the data you would like to inspect or have copied.

Kandiyohi County cannot require you, as a member of the public, to identify yourself or explain the reason for your data request. However, depending on how you want us to process your request (if, for example, you want us to mail you copies of data), we may need some information about you. If you choose not to give us any identifying information, we will provide you with contact information so you may check on the status of your request. In addition, please keep in mind that if we do not understand your request and have no way to contact you, we will not be able to begin processing your request.

How We Respond to a Data Request

Upon receiving your written request, we will work to process it.

- If we do not have the data, we will notify you in writing as soon as reasonably possible.

- If we have the data, but the data are not public, we will notify you in writing as soon as reasonably possible and state which specific law says the data are not public.
- If we have the data, and the data are public, we will respond to your request appropriately and promptly, within a reasonable amount of time by doing one of the following:
 - arrange a date, time and place to inspect data, for free, if your request is to look at the data, or
 - provide you with copies of the data as soon as reasonably possible. You may choose to pick up your copies, or we will mail or fax them to you. If you want us to send you the copies, you will need to provide us with an address or fax number. We will provide electronic copies (such as email or CD-ROM) upon request if we keep the data in electronic format. Information about copy charges is available in the department you made your request for data.

If you do not understand some of the data (technical terminology, abbreviations, or acronyms), please contact the appropriate Kandiyohi department listed on page 3, for an explanation.

The Government Data Practices Act does not require us to create or collect new data in response to a data request if we do not already have the data, or to provide data in a specific form or arrangement if we do not keep the data in that form or arrangement. (For example, if the data you request are on paper only, we are not required to create electronic documents to respond to your request) If we agree to create data in response to your request, we will work with you on the details of your request, including cost and response time.

In addition, the Government Data Practices Act does not require us to answer questions that are not requests for data.

Requests for Summary Data

Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data. Kandiyohi County will prepare summary data if you make your request in writing and pre-pay for the cost of creating the data. Upon receiving your written request – you may use the data request form. We will respond within ten business days with the data or details of when the data will be ready and how much we will charge.

If you have any questions regarding access to public data that we keep, please contact the appropriate Kandiyohi County Department listed on page 3.

Copy costs – Members of the Public Kandiyohi County

Kandiyohi County charges members of the public for copies of government data. These charges are authorized under Minnesota Statutes, section 13.03, subdivision 3(c).

You must pay for copies before we will give them to you.

For 100 or Fewer Paper Copies – 25 Cents per page

100 or fewer pages of black and white, letter or legal size paper copies cost 25 cents for a one-sided copy, or 50 cents for a two-sided copy.

Most Other Types of Copies – Actual Cost

The charge for most other types of copies, when a charge is not set by statute or rule, is the actual cost of searching for and retrieving the data and making the copies or electronically transmitting the data (e.g. sending the data by email).

In determining the actual cost of making copies, we factor in employee time to search for and retrieve the data, the cost of the materials onto which we are copying the data (paper, CD, DVD, etc.) and mailing costs (if any). If your request is for copies of data that we cannot reproduce ourselves, such as photographs, we will charge you the actual cost we must pay an outside vendor for the copies.

If, because of the subject matter of your request, we find it necessary for a higher-paid employee to search for and retrieve the data, we will calculate the search and retrieval portion of the copy charge at the higher salary/wage.

Copy Charges for Data with Commercial Value

We calculate copy charges on a case-by-case basis for providing copies of data that have commercial value.

COLLECTION OF COPYING FEES

Fees shall be collected before releasing copies. Under no circumstances will fees be “charged” and billed to the requester.

Thank you so much for your speedy response. I understand that the county attorney's office needs to review the case before the release of any further information. I want to request possible body cam footage of the arrest, is there any way I can know when the attorney's office has reviewed the case, so i can make the request? Or should I just go ahead and make the request. Sorry for the inconvenience. I greatly appreciate your time.

Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

SIGNATURES AND APPROVALS

Complainant requests that Defendant, subject to bail or conditions of release, be:
(1) arrested or that other lawful steps be taken to obtain Defendant's appearance in court; or
(2) detained, if already in custody, pending further proceedings; and that said Defendant otherwise be dealt with according to law.

Complainant declares under penalty of perjury that everything stated in this document is true and correct. Minn. Stat. § 358.116; Minn. R. Crim. P. 2.01, subds. 1, 2.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

Would it be possible to get the arrest record, on scene officer's report, and body cam footage (all together, one, or any combination of the requested items) of the 5/23/24 drug possession arrest of Nicholas Rekieta (booking nr. 26991) and Kaya Rekieta (booking nr. 26992), and how much would it cost? If the answer is in the affirmative, would payment online (credit card portal, bank transfer, paypal, etc) be acceptable?

I am sorry to bother you again.

In the arraignment hearing today the complaint was mentioned but not read out. The press seem to have gotten a look at the complaint (<https://www.fox9.com/news/nick-rekieta-mn-lawyer-youtuber-facing-drug-charge>). Certainly the details therein were ones not visible from the ICR. Would it be possible for me to receive the complaint too? Considering the judge offered to read the complaint aloud (the defendants refused), I do not believe it is a sensitive matter (the hearing was public).

Thank you for your time and consideration.

Would it be possible to get the arrest record, on scene officer's report, and body cam footage (all together, one, or any combination of the requested items) of the 5/23/24 drug possession arrest of Nicholas Rekieta (booking nr. 26991) and Kaya Rekieta (booking nr. 26992), and how much would it cost? If the answer is in the affirmative, would payment online (credit card portal, bank transfer, paypal, etc) be acceptable?

Thank you for your time. Respectfully,

When I previously emailed you the ICR I didn't have a complaint. That is handled at court and we are not in the Court house.

In the arraignment hearing today the complaint was mentioned but not read out. The press seem to have gotten a look at the complaint (<https://www.fox9.com/news/nick-rekieta-mn-lawyer-youtuber-facing-drug-charge>). Certainly the details therein were ones not visible from the ICR. Would it be possible for me to receive the complaint too? Considering the judge offered to read the complaint aloud (the defendants refused), I do not believe it is a sensitive matter (the hearing was public).

I took no offense.

Yes, I have tried the MCRO, but I don't have a case number, and it does not allow to search by the name of the charged person until conviction. I will contact local courthouse instead.

Hello, sorry to bother you again.

I had a question about the arrest of Nicholas Rekieta and Kayla Rekieta. Were they tested for alcohol and/or drug concentration in their bodies upon arrest/whilst in custody? If so, what were the amounts? Is this information you could provide to me? If not, where should I ask for it? The district court indicated to me that this is a question only "the arresting law enforcement agency" could answer for me. I believe that would be your office.

Thank you for your time.

Hello,

Additionally, I have another request. I have been made aware of a supplemental report numbered 24004152 - MN0340000 made on 5/16/2024 with additional parts (24004152a01, 24004152a02) being made on 5/24/2024. Both were created by Cloey Adams.

Would I be able to receive this?

Thank you for your time.

Respectfully,

Kajus

I had a question about the arrest of Nicholas Rekieta and Kayla Rekieta. Were they tested for alcohol and/or drug concentration in their bodies upon arrest/whilst in custody? If so, what were the amounts? Is this information you could provide to me? If not, where should I ask for it? The district court indicated to me that this is a question only "the arresting law enforcement agency" could answer for me. I believe that would be your office.

Thank you for your time.

In the arraignment hearing today the complaint was mentioned but not read out. The press seem to have gotten a look at the complaint (<https://www.fox9.com/news/nick-rekieta-mn-lawyer-youtuber-facing-drug-charge>). Certainly the details therein were ones not visible from the ICR. Would it be possible for me to receive the complaint too? Considering the judge offered to read the complaint aloud (the defendants refused), I do not believe it is a sensitive matter (the hearing was public).

Thank you for your time and consideration.

Would it be possible to get the arrest record, on scene officer's report, and body cam footage (all together, one, or any combination of the requested items) of the 5/23/24 drug possession arrest of Nicholas Rekieta (booking nr. 26991) and Kaya Rekieta (booking nr. 26992), and how much would it cost? If the answer is in the affirmative, would payment online (credit card portal, bank transfer, paypal, etc) be acceptable?

Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams

- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

I apologize if I am frustrating you for repeating this again, but I just want to be certain we are both talking about the same thing given that I just realised the report numbers do not reflect the specific document, but rather the specific case. Is this supplemental report genuine, and could I obtain it?

Just to be clear, I am not talking about the ICR or the complaint, or even the search warrant, as I already was provided with all of these.

Once again, I apologize if the repeated questions are frustrating, but the arrest of Nicholas Rekieta is of great public interest given his status as a lawyer and his overall fame, and I want to be able to separate genuine documents from potentially fraudulent ones that may appear online.

I wish to thank you for all the help you have given me so far, and I apologize for my late response.

Sincerely (and respectfully),

Kajus

Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

Hello,

Additionally, I have another request. I have been made aware of a supplemental report numbered 24004152 - MN0340000 made on 5/16/2024 with additional parts (24004152a01, 24004152a02) being made on 5/24/2024. Both were created by Cloey Adams.

Would I be able to receive this?

Thank you for your time.

Hello, sorry to bother you again.

I had a question about the arrest of Nicholas Rekieta and Kayla Rekieta. Were they tested for alcohol and/or drug concentration in their bodies upon arrest/whilst in custody? If so, what were the amounts? Is this information you could provide to me? If not, where should I ask for it? The district court indicated to me that this is a question only "the arresting law enforcement agency" could answer for me. I believe that would be your office.

Thank you for your time.

Certainly the details therein were ones not visible from the ICR. Would it be possible for me to receive the complaint too? Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

Hello,

Additionally, I have another request. I have been made aware of a supplemental report numbered 24004152 - MN0340000 made on 5/16/2024 with additional parts (24004152a01, 24004152a02) being made on 5/24/2024. Both were created by Cloey Adams.

Would I be able to receive this?

Thank you for your time.

Respectfully,

Kajus

Hello, sorry to bother you again.

I had a question about the arrest of Nicholas Rekieta and Kayla Rekieta. Were they tested for alcohol and/or drug concentration in their bodies upon arrest/whilst in custody? If so, what were the amounts? Is this information you could provide to me? If not, where should I ask for it? The district court indicated to me that this is a question only "the arresting law enforcement agency" could answer for me. I believe that would be your office.

Thank you for your time.

In the arraignment hearing today the complaint was mentioned but not read out. The press seem to have gotten a look at the complaint (<https://www.fox9.com/news/nick-rekieta-mn-lawyer-youtuber-facing-drug-charge>). Certainly the details therein were ones not visible from the ICR. Would it be possible for me to receive the complaint too? Considering the judge offered to read the complaint aloud (the defendants refused), I do not believe it is a sensitive matter (the hearing was public).

Would it be possible to get the arrest record, on scene officer's report, and body cam footage (all together, one, or any combination of the requested items) of the 5/23/24 drug possession arrest of Nicholas Rekieta (booking nr. 26991) and Kaya Rekieta (booking nr. 26992), and how much would it cost? I apologize if I am frustrating you for repeating this again, but I just want to be certain we are both talking about the same thing given that I just realised the report numbers do not reflect the specific document, but rather the specific case. Is this supplemental report genuine, and could I obtain it?

Just to be clear, I am not talking about the ICR or the complaint, or even the search warrant, as I already was provided with all of these.

Once again, I apologize if the repeated questions are frustrating, but the arrest of Nicholas Rekieta is of great public interest given his status as a lawyer and his overall fame, and I want to be able to separate genuine documents from potentially fraudulent ones that may appear online.

I wish to thank you for all the help you have given me so far, and I apologize for my late response.

Sincerely (and respectfully),

Kajus

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams

The Government Data Practices Act allows us to charge for copies. You have the right to look at data, free of charge, before deciding to request copies.

How to Make a Data Request

To look at data or request copies of data that Kandiyohi County keeps, make a written request. Make your written request for data to the appropriate department listed in the Data Practices Contacts document on page 3. You may make your written request for data by mail, fax, or email, using the data request form. (See appropriate Department for Data Request Form)

If you choose not to use the data request form, your written request should include:

- that you, as a member of the public, are making a request for data under the Government Data Practices Act, Minnesota Statutes, Chapter 13;
- whether you would like to look at the data, get copies of the data, or both; and
- a clear description of the data you would like to inspect or have copied.

Kandiyohi County cannot require you, as a member of the public, to identify yourself or explain the reason for your data request. However, depending on how you want us to process your request (if, for example, you want us to mail you copies of data), we may need some information about you. If you choose not to give us any identifying information, we will provide you with contact information so you may check on the status of your request. In addition, please keep in mind that if we do not understand your request and have no way to contact you, we will not be able to begin processing your request.

How We Respond to a Data Request

Upon receiving your written request, we will work to process it.

- If we do not have the data, we will notify you in writing as soon as reasonably possible.

- If we have the data, but the data are not public, we will notify you in writing as soon as reasonably possible and state which specific law says the data are not public.
- If we have the data, and the data are public, we will respond to your request appropriately and promptly, within a reasonable amount of time by doing one of the following:
 - arrange a date, time and place to inspect data, for free, if your request is to look at the data, or
 - provide you with copies of the data as soon as reasonably possible. You may choose to pick up your copies, or we will mail or fax them to you. If you want us to send you the copies, you will need to provide us with an address or fax number. We will provide electronic copies (such as email or CD-ROM) upon request if we keep the data in electronic format. Information about copy charges is available in the department you made your request for data.

If you do not understand some of the data (technical terminology, abbreviations, or acronyms), please contact the appropriate Kandiyohi department listed on page 3, for an explanation.

The Government Data Practices Act does not require us to create or collect new data in response to a data request if we do not already have the data, or to provide data in a specific form or arrangement if we do not keep the data in that form or arrangement. (For example, if the data you request are on paper only, we are not required to create electronic documents to respond to your request) If we agree to create data in response to your request, we will work with you on the details of your request, including cost and response time.

In addition, the Government Data Practices Act does not require us to answer questions that are not requests for data.

Requests for Summary Data

Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data. Kandiyohi County will prepare summary data if you make your request in writing and pre-pay for the cost of creating the data. Upon receiving your written request – you may use the data request form. We will respond within ten business days with the data or details of when the data will be ready and how much we will charge.

If you have any questions regarding access to public data that we keep, please contact the appropriate Kandiyohi County Department listed on page 3.

Copy costs – Members of the Public Kandiyohi County

Kandiyohi County charges members of the public for copies of government data. These charges are authorized under Minnesota Statutes, section 13.03, subdivision 3(c).

You must pay for copies before we will give them to you.

For 100 or Fewer Paper Copies – 25 Cents per page

100 or fewer pages of black and white, letter or legal size paper copies cost 25 cents for a one-sided copy, or 50 cents for a two-sided copy.

Most Other Types of Copies – Actual Cost

The charge for most other types of copies, when a charge is not set by statute or rule, is the actual cost of searching for and retrieving the data and making the copies or electronically transmitting the data (e.g. sending the data by email).

In determining the actual cost of making copies, we factor in employee time to search for and retrieve the data, the cost of the materials onto which we are copying the data (paper, CD, DVD, etc.) and mailing costs (if any). If your request is for copies of data that we cannot reproduce ourselves, such as photographs, we will charge you the actual cost we must pay an outside vendor for the copies.

If, because of the subject matter of your request, we find it necessary for a higher-paid employee to search for and retrieve the data, we will calculate the search and retrieval portion of the copy charge at the higher salary/wage.

Copy Charges for Data with Commercial Value

We calculate copy charges on a case-by-case basis for providing copies of data that have commercial value.

COLLECTION OF COPYING FEES

Fees shall be collected before releasing copies. Under no circumstances will fees be “charged” and billed to the requester.

Right to Access Public Data

The Government Data Practices Act (Minnesota Statutes, Chapter 13) presumes that all government data are public unless a state or federal law says the data are not public. Government data is a term that means all recorded information a government entity has, including paper, email, DVD's, photographs, etc.

The Government Data Practices Act also provides that Kandiyohi County must keep all government data in a way that makes it easy for you, as a member of the public, to access public data. You have the right to look at (inspect), free of charge, all public data that we keep. You also have the right to get copies of public data. The Government Data Practices Act allows us to charge for copies. You have the right to look at data, free of charge, before deciding to request copies.

How to Make a Data Request

To look at data or request copies of data that Kandiyohi County keeps, make a written request. Make your written request for data to the appropriate department listed in the Data Practices Contacts document on page 3. You may make your written request for data by mail, fax, or email, using the data request form. (See appropriate Department for Data Request Form)

Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

Thank you,

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

Good Morning,

Carol had mentioned the requests to me on Friday and that there is approximately 15 hours of footage. After reviewing the case I would recommend that we would need to redact the five minor children and the two CPS workers. Also if there are any other bystanders.

My estimate would be about 50 hours of redaction needed at \$60.00 per hour.

Thanks,
Ross

Good morning, last week our investigators conducted a narcotics search warrant on Nicholas Rekieta, a very popular podcaster attorney from rural Spicer. Based on that investigation, there has been a tidal wave of data requests related to everything from documents to body camera recordings of the search warrant. At this point, I am just looking for a financial estimate on what it would take to redact the BWC footage from the search warrant. We had 9 officers there and each camera remained on for 1.5-2 hrs. There were 3 adults arrested at the scene, along with having four children present, and eventually 2 child protection workers toward the end. Some detectives mainly searched and did not have contact with the kids or CP, but may have walked by so there would be the required viewing to confirm nothing was missed.

Ross, do you have an estimate you could give on what redaction would cost?

I have a few body cam requests for the arrested from last Thursday. It would be roughly 15 hours of data. Could you give me a rough estimate on how much that would cost? I have close to 10 people requesting the footage. It is the Rekieta arrests and the county ICR is 24004152.

Thank you!

Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49 intentional failure to appear for duly scheduled court appearances may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.

Dear Kandiyohi County Sheriff's Records Department:
If necessary, please forward this request to the appropriate responding agency.

Under the Minnesota Data Practices Act § 13.01 et seq., I am requesting an opportunity to inspect or obtain copies of the search warrant executed on May 23rd 2024 on Nick Rekieta's residence at the following address:
12291 51st Street NE
Spicer, MN 56288

For explicit clarification, this is the search warrant referenced in *State of Minnesota v. Nicholas Robert Rekieta*, case file 34-CR-24-341.

I am also requesting inspection of copies of any public records which were used to establish the probable cause necessary to authorize the above search warrant.

Digital inspection or copies of all files is acceptable, as is the reasonable redaction of names to protect the identities of minors or other valid reasons.

If there are any fees for searching or copying these records, please inform me. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the arrest of a person with substantial influence in the political and media entertainment sphere. Good morning,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.

Good afternoon,

Your request has been received. I just spoke with our department head and the case is still being investigated. At this time it is still an open active investigation in our office.

I have also contacted our forensic staff that handles the bodycam footage and received a rough estimate on what it would cost for the footage. The fee is \$60 an hour and roughly would be 50 hours to go through the bodycams. The fee, for just the bodycam footage, is \$3,000. This would need to be paid before it can be released. Due to the ongoing status of the case, we are unable to provide an exact release date for the bodycam footage at this time.

I have attached the public ICR and the complaint reports on Rekietas.

Right to Access Public Data

The Government Data Practices Act (Minnesota Statutes, Chapter 13) presumes that all government data are public unless a state or federal law says the data are not public. Government data is a term that means all recorded information a government entity has, including paper, email, DVD's, photographs, etc.

The Government Data Practices Act also provides that Kandiyohi County must keep all government data in a way that makes it easy for you, as a member of the public, to access public data. You have the right to look at (inspect), free of charge, all public data that we keep. You also have the right to get copies of public data. The Government Data Practices Act allows us to charge for copies. You have the right to look at data, free of charge, before deciding to request copies.

How to Make a Data Request

To look at data or request copies of data that Kandiyohi County keeps, make a written request. Make your written request for data to the appropriate department listed in the Data Practices Contacts document on page 3. You may make your written request for data by mail, fax, or email, using the data request form. (See appropriate Department for Data Request Form)

If you choose not to use the data request form, your written request should include:

- that you, as a member of the public, are making a request for data under the Government Data Practices Act, Minnesota Statutes, Chapter 13;
- whether you would like to look at the data, get copies of the data, or both; and
- a clear description of the data you would like to inspect or have copied.

Kandiyohi County cannot require you, as a member of the public, to identify yourself or explain the reason for your data request. However, depending on how you want us to process your request (if, for example, you want us to mail you copies of data), we may need some information about you. If you choose not to give us any identifying information, we will provide you with contact information so you may check on the status of your request. In addition, please keep in mind that if we do not understand your request and have no way to contact you, we will not be able to begin processing your request.

How We Respond to a Data Request

Upon receiving your written request, we will work to process it.

- If we do not have the data, we will notify you in writing as soon as reasonably possible.

- If we have the data, but the data are not public, we will notify you in writing as soon as reasonably possible and state which specific law says the data are not public.
- If we have the data, and the data are public, we will respond to your request appropriately and promptly, within a reasonable amount of time by doing one of the following:
 - arrange a date, time and place to inspect data, for free, if your request is to look at the data, or
 - provide you with copies of the data as soon as reasonably possible. You may choose to pick up your copies, or we will mail or fax them to you. If you want us to send you the copies, you will need to provide us with an address or fax number. We will provide electronic copies (such as email or CD-ROM) upon request if we keep the data in electronic format. Information about copy charges is available in the department you made your request for data.

If you do not understand some of the data (technical terminology, abbreviations, or acronyms), please contact the appropriate Kandiyohi department listed on page 3, for an explanation.

The Government Data Practices Act does not require us to create or collect new data in response to a data request if we do not already have the data, or to provide data in a specific form or arrangement if we do not keep the data in that form or arrangement. (For example, if the data you request are on paper only, we are not required to create electronic documents to respond to your request) If we agree to create data in response to your request, we will work with you on the details of your request, including cost and response time.

In addition, the Government Data Practices Act does not require us to answer questions that are not requests for data.

Requests for Summary Data

Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data. Kandiyohi County will prepare summary data if you make your request in writing and pre-pay for the cost of creating the data. Upon receiving your written request – you may use the data request form. We will respond within ten business days with the data or details of when the data will be ready and how much we will charge.

If you have any questions regarding access to public data that we keep, please contact the appropriate Kandiyohi County Department listed on page 3.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your Complainant, a licensed peace officer, is employed by the Kandiyohi County Sheriff's Office. In this capacity your Complainant believes the following to be true and correct.

On May 23, 2024, at approximately 9:13 a.m., a search warrant was executed at 12291 51st Street in Spicer, Kandiyohi County, Minnesota. NICHOLAS ROBERT REKIETA, DOB: 12/16/81 and KAYLA CHRISTINE REKIETA, DOB: 03/09/84 reside at the residence. As law enforcement approached the residence, NICHOLAS REKEITA was traveling southbound on 51st in a vehicle.

NICHOLAS REKEITA was stopped by law enforcement. Upon knocking on the door, a juvenile female opened the door and wouldn't let them in. NICHOLAS REKEITA would not provide the door code to enter the residence. Law enforcement entered the home utilizing a door ram.

Upon entry, law enforcement located KAYLA REKEITA and April Imholte and four juveniles were also in the home. Officers noted the home was extremely cluttered. There were clothes everywhere, dirty dishes, dust and an overall dirty home.

NICHOLAS REKEITA returned to the home with law enforcement. He demanded a copy of search warrant. When given a copy, he looked at it and threw it on the ground.

During the search, law enforcement located the following in the master bedroom:

The following items were located in the master bedroom near the nightstand:

- Yellow snort tube – positive for cocaine
- Black vial with white substance inside that field tested positive for cocaine and weighed 2.2 grams
- (2) credit cards listed to April Imholte
- (2) .22 caliber spent shell casings on the floor of the nightstand in the master bedroom

The following item was located underneath the bed in the master bedroom:

- Sig Sauer AR with several magazines and loose ammunition, serial number 20G002638

The following item was located in the master bedroom dresser:

- Glass container with metal filter and grinder & glass container that field tested positive for cocaine

The following items were located in a safe in the master bathroom:

- Bag with cards and dollar bill that field tested positive for cocaine
- Large corner cut baggie with white powder that field tested positive for cocaine and weighed 18.96 grams with

packaging

- (3) small baggies that field tested positive for cocaine and weighed 5.49 grams with packaging
- 8 Green colored tablets that field tested positive for Ketamine
- Digital scale that field tested positive for cocaine
- Metal pan with white powder on it that tested positive for cocaine
- (2) snort tubes and (2) metal cutters. The snort tubes tested positive for cocaine

The following items were located in a safe in the master bedroom closet:

- \$100.00 bill with white powder residue that field tested positive for cocaine
- Bindle white bag with white powder substance that field tested positive for cocaine
- Cocaine scooper
- (2) baggies within a baggie with a funnel
- Unknown Brown Substance

Additional firearms and ammunition were located in the garage.

The total amount of measurable cocaine in the master bedroom was 26.67 grams with packaging. Cocaine is a Schedule II controlled substance. Ketamine is a Schedule I controlled substance.

Detective Pomplun met with NICHOLAS REKIETA outside the residence. He was read his Miranda rights and he agreed to speak with officers without counsel. NICHOLAS REKEITA indicated that he sleeps in the master bedroom with KAYLA REKEITA. He indicated that April Imholte was at the home visiting.

NICHOLAS REKEITA and KAYLA REKEITA were placed under arrest. While being placed under arrest, Detective Pomplun noted several injuries to the arms of NICHOLAS REKEITA that appeared consistent with sores that are common with controlled substance users.

They were transported to the Kandiyohi County Jail. KAYLA REKEITA did not speak with officers.

At the Kandiyohi County Jail, NICHOLAS REKEITA was again read his Miranda rights and agreed to speak with officers without an attorney. NICHOLAS REKEITA refused to answer any questions regarding cocaine or other controlled substance use. NICHOLAS REKEITA indicates that he lives in the residence. He stays in the master bedroom with his wife, KAYLA REKEITA. April Imholte was a friend who was visiting and does not live at the residence.

While being booked into the jail, KAYLA REKEITA requested that her prescription medication be brought to her. Upon reviewing the prescription bottles for KAYLA REKEITA that were brought to the jail, jail staff found 2 unknown pills and gummies in one of the prescription bottles. These items did not match the prescription on the bottle.
