

# SEASON 3 E 1 - PILOT

*Each Episode should be **40 Minutes Max***

*The show opens in as mainstream a way as possible. This is “famous house,” and should probably resemble the editing of one of those fucking awful HGTV mainstream bullshit shows (this is a parody but just so you get what i mean, lots of bullshit bloom transitions and stupid ass text)*

[https://www.youtube.com/watch?v=oGwV6yU0amM&ab\\_channel=teks](https://www.youtube.com/watch?v=oGwV6yU0amM&ab_channel=teks)

*Yellow are moments when the fish find clues, special emphasis, like it's a mystery. Maybe even with a sound that implies a clue has been found.*

*Summary:*

*Act 1: The contestants enter the house one-after-another, quickly forming an alliance of normies and excluding the odder characters. Immediately the contestants can sense something is off, although they cannot place what it is. **Burt quickly establishes that the show is fairly abnormal by jerking off on camera**, and experiences several near-misses as the other contestants continue to enter while his hand is on his dick.*

*Act 2: The final contestants enter, and are split for a getting-to-know-you activity. **G announces the beginning of the Candy Challenge**, and Luke and Simbal are noted for being the first to attempt to steal candy. Alex drops an n-bomb while the contestants are unwinding in the yard, triggering a greater conversation about the nature of the show.*

## ACT 1

*\*The Canon version of the opening has Jeremy introduce Alexis “CORRECTIONS,” Mizzy “BARTENDER/ACTRESS”, and La’ron “CONTENT CREATOR” all together, however, in reality, Alexis and Mizzy came in first without La’ron. Since we’re doing a “clean” beginning, just make it look like they all came in together and don’t show the first intro with just the girls. Jeremy G. welcomes the fish to the enormous house and tells them they are playing for a chance to win 50,000 dollars and a “shot at being my protege.”*

*During every first confessional, include the fish giving their name, age, and their job (we never cared before but this is a conventional way to begin a reality show).*

(Alexis and Mizzy-only scenes)

- Alexis mentions her son during this intro period. She mentions offhand that her niece was murdered by a man named “Benjamin Taylor”. We can cut that in and make it sound like a funny and cute anecdote and not something disturbing<sup>FX3</sup>
  - *In confessional, after giving her basic info, Alexis talks about how she wastes a ton of money on cosmetics and on surgeries for herself*<sup>179FX3</sup>
- Mizzy notes that there are not enough beds. She calls the confessional “the diary room,”<sup>6</sup> and compares herself to Avril Lavigne. She goes on and on about her alternative “witchy,” “edgy” style.)
  - *In confessional Mizzy says she has “no idea what to expect”*<sup>118/Fx3</sup>

2-8 13:50-14:05 FX3 Only

Once La’ron enters (although it will look like he was there the whole time)

- Calls himself a “Gay little black boy” from Chicago<sup>30</sup> and claims the penthouse<sup>36</sup>
- Alexis says “Shit” (don’t/bleep?) and then apologizes to the camera. “Normal things ain’t normal.”<sup>35</sup>

30 14:18 Deck

35 14:27 Kitchen, shortly before or after the button is pressed

36 14:28 Den PTZ

By the fireplace, La’ron, Mizzy, and Alexis agree that they will form an alliance called the “OGs,”<sup>46</sup> and look out for each other against all other fish until the end of the game.

46 14:28 FX3 ONLY

Burt “ENTREPRENEUR” (or, “SCHIZOAFFECTIVE”?) joins the OG’s in Bedroom 3.<sup>51</sup> He mentions that he has a master’s and is highly educated. In the Den, La’ron asks Burt if he has kids and he says “no kids that I’m aware of”<sup>60</sup> (He has yet to declare his hobbies so this is a sound hint toward his odd personality.) (No Confessional on Burt (Yet))

51 14:52 B3

60 15:02-15:10 not sure

The girls complain that the set is disorganized and strange, but Mizzy comes to production’s defense and says it was all intentionally placed by a set designer, even though the coffee table is filthy and covered in finger prints: “They really put in a lot of thought.”<sup>74</sup> They talk about doing research on the show and how they think it’s going to be on a mainstream network.<sup>83</sup>

74 15:20 Den PTZ (Smash zoom on a disgusting, dusty table on PTZ)

83 15:28 Den “this show is legit” “Where do you think it’s going to stream?” “HBO or Peacock hopefully but secretly I hope it’s netflix”

Ted “CERAMICS ARTIST” arrives fifth,<sup>87</sup> and mentions that he has screws and pins in his wrist from an injury. He also mentions that everything he has brought with him is secondhand (evidence for later) examines the yard and says he plans to skate in it.<sup>93</sup>

*Confessional: Ted describes himself as very very annoying, like a sea anemone you wouldn’t want to hold*

87 15:35 Den PTZ, Fx3 best

At the bar Ted asks La'ron if he's gay and Burt interjects that he has sex indiscriminately.<sup>101</sup>

101 15:52 BAR

Simball "ASPIRING ACTOR" arrives sixth. Jeremy: "Hope you guys like cologne!"<sup>135</sup>

*Confessional: Talks about his brother Sharia who is still in India, says his goal is to motivate "brown people with accents". "I consider myself to be a lone wolf."*<sup>673 Day 2 17:17</sup>

135 16:57 Den PTZ

Alex B "TIKTOKER" arrives swiftly afterwards.<sup>150</sup> The other contestants nickname him "monkey man" after he talks about his animals. "They call me the snowman because i melt, I profusely sweat."<sup>151</sup> He says he just got engaged this week, and that his dad passed away fairly recently.

150 17:18 Bar

*In confessional. Alex B asks what La'ron's pronouns are. He says he doesn't take adderall and doesn't like drinking or drugs because he's bad enough without them. He mentions how much he spends on monkey diapers and hypes himself up for the camera*<sup>225/Fx3</sup>

**Mizzy mentions, on the very first AXIS shot in the kitchen, "this place is weird. I feel like something bad is about to happen."**<sup>169?</sup> **Burt is simultaneously muttering to himself in bed in Bedroom 3**<sup>147</sup>

169 17:41-17:46 range

147 17:15 B3

Binx "IRL STREAMER" arrives eighth<sup>186</sup> and says she is 32. She describes herself as an IRL streamer and talks about traveling for content.

*Confessional: Binx explains what IRL streaming is and says she has ten consistent viewers. Sam ratchets the Fx3 up her boobs while she explains what IRL streaming is so it may be a challenge to get a clear explanation but try to make it understandable.*<sup>693</sup>

186 18:15 Den PTZ

693 Day 2 17:47 Confessional

Smack arrives immediately afterwards<sup>188</sup> and the fish call Ted from across the house and tell him she will bond with Ted because they are both skateboarders.

*Confessional AXIS: Smack explains her name is Stephanie Mack - Smack. She asks G if he's done a show like this before. He says, kinda.*

188 18:20 Den PTZ

**While the fish are making a nice conversation on Fx3<sup>199</sup>, in bedroom 3 AXIS, Burt is blatantly masturbating. Luca enters with an Fx3 to film him, and the sound of footsteps approaching causes Burt to abruptly stop jerking off.**<sup>204</sup>

*199-202 Talking about dinner. Alex talks about his dad.*

204 18:39 B3 Fx3

Payton "MODEL" arrives just after this<sup>207</sup> and attempts to move into Bedroom 3 (fx3), sees Burt waiting for her to exit the room before finishing himself, and leaves.<sup>18:48 B3</sup>

*Confessional: Payton says her biggest threat is La'ron, and she will work with him to gain his trust.*<sup>683 Day 2 17:28</sup>

207 18:42 Kitchen

Ted enters B3 Axis just as Burt climaxes<sup>211</sup> and invites him to hang out with everyone in the kitchen. He shakes Simbal's hand on the stairway (island axis) without washing it.<sup>215</sup>

*Confessional: Burt gives his name, age, and profession. He says he was just taking a "power nap." Production tells him to keep his language and actions PG13.*<sup>220</sup>

211 18:50 B3

215 18:58 Island - Burt enters from the left and shakes hands as he comes down the stairs

## ACT 2

### End of Clean Opening

From here Fx3 can be weaned off and Axis gently used more.

Ted and Smack are skating in the yard on PTZ when Luke "ILLUSTRATOR" enters and introduces himself.<sup>258</sup> The bulk of his intro shows him talking to Burt and they shake hands and talk about how the top bunk is the bitch bunk because his regular intro to the rest of the house is less interesting.<sup>273</sup>

*Confessional: Ben warns him to say "effing" instead of fucking. He says he's had practice doing confessionals.*<sup>689</sup>

258 20:35 Yard PTZ

273 21:09 Fx3/Yard PTZ

The fish begin drinking heavily (bar)<sup>274, 277, 284, 286</sup> just before Ian "VEGAN" enters the tank.

*CONFESSINAL: Ian's here! Game over!!*

*274-286 Bar/Fx3 - Binx says she is using the show to bail from her life. Boys talk about shotgunning a beer. Ted fails to lift while the guys stand around watching him*

296 21:42 Yard/Fx3

In the Yard, Alex B and Luke are selected to be "captains" and pick from the fish. Interestingly, Alex B picks Binx first, and Luke picks Burt, and it's clear both pairs have bonded very quickly.<sup>297</sup> The teams are split into separate rooms to get to know each other, not for a challenge.

297 21:43 Yard/Fx3 Teams are picked

B3: 303 Ted asks Vance's name, 315 Most spontaneous thing Binx and Ted have done is come on the show, 321 Mizzy scolds Alex for talking, 322 Alex talks about how his dad died, 324 Ted says something corny to the fx3 about diversity  
Penthouse: 308 Burt's go-to Karaoke song is Stacy's mom, 316 Simbal would eat curry for the rest of his life, 319 Smack grew up in foster care

G introduces the candy challenge in the Flat.<sup>331</sup> The canon takeaway from the conversation: The top 3 candy collectors will get immunity from an upcoming elimination vote. **The date of the elimination vote is not accurate so do not use it.** Burt frantically turns the house over looking for candy<sup>338</sup> while everyone else searches in a more normal fashion. In the Kitchen, Luke tries to swipe Alexis' candy, setting off aggressive tactics in the rest of the fish.<sup>337</sup>

331 22:31 Flat

338 22:51 Vanity, 352 22:57 Den Burt disassembles a table

337 22:49 Kitchen "redistribution of wealth, a bum stealing from bill gates"

In Yard PTZ, Burt is watching Ted skateboard. Ted skates close to Burt and falls over.<sup>350</sup> Simbal is seen taking candy out of Ted's vase while he's staking, and Ted forces him to return it. Burt announces he's going to bed early and Ted says he will be "on the bed below you." Burt says he thought Ted said he wanted to "blow him" and Ted says that sounds like wishful thinking.<sup>371</sup>

350 23:05 Shortly before Simbal takes Ted's candy Ted almost crashes into Burt. Ted's vase is red and Simbal takes candy from it until Ted calls out

371 23:49 "i will be on the bed below you." vance is bedroom side of the island burt and ted on the den side

The fish get together in the smoking area in the evening. Alex drops the name "fishtank" in conversation talking about his own contract, without really understanding how it relates to Famous House<sup>399</sup> just before he drops an N-bomb: "You're like, cool as fuck. You almost made me spill the drink, keep up, Nigga."

Production sends Luke to weigh in and he exclaims to Smack: "You're pissed? You're not black!!"<sup>401</sup>

*Confessional: Smack says she thinks Alex thought he could get away with saying the n-word around her because she is "white-passing."*

Two FX3s enter, scaring Smack out of the scene.<sup>403</sup> Ted tells Alex he has the "n-word pass"<sup>404</sup> and Luke vouches for him. Alex begins to argue he never even said it, and if he did say it, he would leave in disgrace. Luke turns and makes eye contact with the PTZ camera and waves upon hearing this.<sup>415</sup>

The tone is that there is some other mystery on top of it being funny - we've laid out Luke has "experience in confessionals" and production has some specific reason to involve him in this conflict but narratively the viewer doesn't know that Luke was previously on Big Brother or that he was kicked from it saying nigga.

399 0:50 Yard PTZ "fishtank was cancelled"

400 0:52 Yard PTZ "What did you say?" 400 "Something terrible. I have black friends." "That doesn't excuse it."

403 0:58 B1 Smack Flees.

404 0:59 "He has the pass"

415 1:21-is not logged.. its in the digest also for reference.

Upstairs, to FX3, Smack says she would eliminate Alex B right now if she could, out of

disgust.<sup>405, 407</sup> Simbal says understands the impulse, but out of competitive focus he would target Luke.

Dragging late into the night in the yard, Alex pushes the other fish with odd questions. He asks Luke, wouldn't it bother you if everyone thought you were racist because you said the N-word on TV, hypothetically?<sup>419?432?</sup> In B3, as Binx comes in the language gets more colorful<sup>454, 458, 459</sup> and Luke tells Alex he thinks he's cut out for this show, especially.<sup>461</sup> Alex B presses Binx suddenly and says she should also be familiar with "the last show," "the Fishtank shit,"<sup>462</sup> as a name from the casting process. Ben interrupts and says Fishtank was a prior business partner and if either of them mention it again they will be eliminated on the spot.<sup>464</sup>

419,432 Yard PTZ. Not sure when. Not necessary to find but good

454 2:46 B3 Ted says Faggot

458 2:53 B3 Alex says Faggish and Binx says "we didn't even make it one day"

459 2:56 B3 "I said nigga again" "we're just friends hanging out it's not racist" "I genuinely mean it as a term of endearment"

461 2:58 B3 "So worth it staying up with you"

462 3:01 B3 "We were the only two left over from that fishtank shit" "There was like 25 people and they chose us"

464 3:04 B3 "That's our previous venture." "Fishtank?"
