

# Episode 18 - TURN BLANK

*Act 1: The new fish, and the old fish, are brought into the tank, including Luke. Brandon makes an immediate negative impression on production, who begin to scheme to remove him from the house.*

*Act 2: The fish, though, focus on removing Simbal for strategic reasons, to production's disgust, although **Luke alone stands in to represent their interests**. Simbal and Binx insist that production's fight with Brandon is not their problem, and Payton actively pushes back to defend Brandon and his beliefs.*

*Act 3: Luke shoulders responsibility for standing up to Brandon, even though he accepts it likely means he will be eliminated. Brandon is expelled from the house by production, when it is clear the majority of the contestants are not going to vote him out. By surprise, **the contestants agree to vote out Simbal instead of Luke**.*

## Act 1

Brayden (I FORGET HIS JOB) is brought into the tank.

*Confessional: Brayden says he loves Big Brother, and the storytelling of reality shows.*

Kawan (MODEL) enters and G screams "fuck" when he flubs a line during his intro.

Brayden is pulled from the house suddenly. (FX3? If there is no FX3 then we are cutting him entirely.)

Gianna (I also don't know her job) enters third, and Tony (LINE COOK) is fourth. Payton (NINETEEN) is fifth and in bedroom 3 says she's never done anything like this before.

Burt (SCHIZOAFFECTIVE) arrives sixth and speaks with Tony in Italian.

*Confessional: Burt asks if Ben and Sam are a couple and they both say "no" at the same time.*

Brandon (GROOMER) is seventh. Burt is immediately smitten as Brandon is clearly gay, and begins to overshare about his sexuality.

*Confessional: Brandon records a message "for the kids at home." "I'm the new kid in town so you better watch out." Sam hisses "piece of shit," and spits as soon as Brandon leaves.*

Simbal (INDIAN) arrives eighth, and Binx (THIRTY-TWO) is ninth.

*Confessional: Binx says she likes anime and comes across as mad annoying, then apologizes and asks to start over.*

Brandon complains to the girls that Burt is pressuring him to have sex and that he isn't shaming Burt but doesn't want to sleep in a room with him. Simbal is seen pulling people aside and talking to them (I never saw this at fucking all even though everyone says he was doing it, so that's a job.)

Luke (FORMER REALITY TV SHOW CONTESTANT) is tenth. Special emphasis is placed on him shaking hands with Binx, Burt, and Payton. He introduces himself to Tony in the locker room and Tony says, "Luke? Luca? Luke?" while Luca smirks. In the yard he shakes hands with Simbal and they both laugh.

*Confessional: Ben begins to explain to Luke what to do in confessional, but stops himself and says "well, you were on Big Brother, so I don't need to explain."*

Star (THIRTY-TWO) is eleventh.

*Confessional: Star says she thinks people will believe she is 32.*

Breezy (SCIENCE EDUCATOR) is twelfth.

*Confessional: Breezy explains she actually has a fairly technical job even though she is clearly dumb as a stump. Binx takes her into confessional and they agree to work with Brandon because he is gay and because they are both "on the queer spectrum."*

In the penthouse, Kawan, Breezy, and Tony agree that they should vote Burt out because he's making them uncomfortable. Binx and Payton take Gianna into confessional, and Binx undermines the idea of eliminating Burt as Brandon simply wanting to be the "only flamboyant person." Payton tells Gianna that they should be watching for the player that hides in the shadows, Simbal, instead.

Ben introduces Computer. The fish wander into the kitchen while computer asks Brandon about being gay, and prods Luke with comments about Simbal and Smashing Pumpkins. TTS says someone here is lying about their age and Star admits she lied. TTS says she is excited to learn everyone's secrets including Brandon's, and Luke says this is not his first tv show. Burt blurts out that he likes hurting himself on purpose because it's a turn-on. Brandon says his dad committed murder in a McDonald's.

Over dinner, Binx refers to TTS as "they," but the contestants don't notice. "Alex B," (ARTIST) an asian girl, is brought in.

*Confessional: G tells Alex B she should make a meme coin.*

The fish abruptly break up dinner because computer tells them there is an immunity idol, so they sprint in all directions.

The girls are assembled to talk about being "The only real girls" in the house. Binx promotes the idea of eliminating Simbal because she says he is scheming. Breezy goes

along with the suggestion even though she can't seem to string together one logical sentence.

Star pulls out a card that says "Mizzy," on it, and asks if it has anything to do with immunity.

*Confessional: G takes the cards from Star and says that the card that says "Star" on it is her immunity token. Vance wanders the house putting new fake cards everywhere.*

G brings Luke, Kawan, and Tony together and says they are the "boys." Kevin arrives.

*Confessional: Kevin talks about being a model. TTS says it can't process his speech because he is lispy.*

Luke invites Kevin upstairs and says he could be initiated to the "boys," but Simbal will not be invited because he is iffy.

Breezy and Brandon collapse on the floor together in b3 and confess they know each other from before the show. Breezy tells Binx that the name "Brandon Hilton" is familiar to her when Brandon is gone from the room.

*Confessional: G asks how good friends Breezy is with Brandon. She claims not to know him and then says it's not worth \$3,500 to make him leave. G storms out saying "fuck you, fuck this."*

Luca finds Burt burting off while whispering about how Brandon is "cute as fuck."

*Confessional: Ben asks Brandon about why he was attacked online for putting a kid in drag. G enters and asks for an update on what Brandon has willingly confessed to.*

## Act 2

G reconvenes the boys and admits he was supposed to vet people for casting, but Brandon slipped through the cracks. He charges them with dealing with it to "save the show." The boys dare Luke to take charge, so he brings Brandon to confessional.

*Confessional: Luke presses Brandon about the sexual connotations of drag. He says it's "so unnatural" and "wack." Brandon defends himself by saying he just filled the order.*

*Luke says it's fair to say Brandon is "heavily affiliated" with child drag.*

In front of the others, Brandon opens up about what Luke is attacking him over. Payton defends Brandon, saying the accusation is serious and so maybe computer is lying about it. Brandon runs from the debate and Payton comforts him in the hallway, with Payton comparing giving drag to children to giving a kid that wants to be a veterinarian a stuffed cat.

*Confessional: Payton rationalizes to G why she is taking Brandon's side.*

Binx, Burt, and Simbal all also come around to show Brandon their support.

*Confessional: G sings "californication," shows Simbal Brandon's site, and then bolts.*

*Simbal says he is prioritizing winning by keeping on good terms with Brandon, saying it's "not really my problem."*

Payton says that since Luke is an illustrator, maybe he "Draws children."

Shelby (ONLYFANS), Alissa (ONLYFANS), and Sky (LESBIAN) all enter rapid-fire.

*Confessional: Alissa speaks to production and when she leaves G complains that she does porn, and says that the cast is AIDS.*

Jet announces that there will be an elimination tonight.

## Act 3

Luke is alone in the Jacuzzi room. In private, TTS is welcoming and affectionate with him, calling him a king and blessing him, although he remains self-conscious about the trouble he has willingly invited. In Bedroom 2, Payton warns Brandon that production is stirring shit against him.

In Bedroom 3, Luke boldly marches in while the rest of the cast is shit-talking him and Tony is shaking Brandon's hand. TTS asks them all what their biggest strength is. The others list things like "creativity" and "personality." Luke says, "my conviction." G enters and splits the fish up into rooms with famous house contestants. Luke repeats that his conviction is to vote out Brandon, but G questions the stability of the Boyz because Tony was siding with Brandon earlier.

*Confessional Day 30: Luke tells Kawam and Tony that what he saw in the conversation pit was vile, and neither of them did a damn thing about it, and calls them wishy-washy. He agrees to continue the alliance but they must show him some commitment.*

Breezy says they will vote out Simbal, and Burt says he would vote out Luke but is going along with what the girls told him to do, and G puts Burt down for it. In Binx's room, they say they will vote out Simbal.

*Confessional: G asks Binx why she wouldn't have voted Brandon out. She says it wouldn't have been strategic for her and if production wanted Brandon out they can just remove him.*

In Simbal's room, G argues with Brandon over the direction of the show, with Brandon saying he wants the show to be "less conservative." They agree they will vote out Luke.

*Confessional: G tells Brandon he's just gotta pack his shit and go because he doesn't even wanna look at him. G steps outside to heave and then comes back inside and sings a song telling Brandon to get the fuck out.*

Burt finds Brandon packing and hurriedly warns G that Brandon is leaving. G sings him songs in response (“He wasn’t cool/he made me really sick”) Brandon walks out and Simbal chases after him to say bye. Burt laments that there are no more gay guys for him to connect with, Luke looks down the hall where Simbal has gone and says “we got one more, at least.”

The elimination vote begins, and the cast begins to vote. Luke is expecting to be voted out, and TTS tells him to change the votes of the rest of the cast to save himself, and he discovers that he doesn’t need to because everyone has voted for Simbal. Binx celebrates her own vote, saying she has waited for this for a long time. TTS pleads with Simbal to change the votes but he doesn’t.

Lily (ANOTHER LESBIAN) enters during the elimination and laughs about being made to vote in an elimination she doesn’t understand. Kevin votes for Burt because he’s giving him a weird vibe, and Burt votes for Luke because he’s “overtly problematic.”

Simbal is taken in the back of the house to be given an out-of-character goodbye.

*Confessional: Payton and Binx celebrate that Simbal has been eliminated. Payton says she wants to vote out Luke next and Binx tells her that’s wrong.*

As he leaves he steps back into the house and says “fuck you everyone who voted me out.”

**Everything G says about “the next vote” is cut.**

As Luke goes to bed on the couch, he asks Binx what happened to cause him to be spared. She tells him he didn’t make a big enough spectacle this time to be kicked, and he’s safe because tomorrow is a new day.
