@counterconor

I like Pixie, Lonerbox, & Destiny pending anything horrific.

Sunday's video alleges a \$1,000,000.00 pay out for damages related to nude images was mentioned by one of the parties.

For \$1,000,000.00 I will send you pictures of my junk.

My wife will take the Picture.

1. Wu quits twitchpol

Brianna Wu @BriannaWu · 1h

ANNOUNCEMENT.

I am done with TwitchPol.

I have too much real world stuff to do to get wrapped up in what is ultimately high school drama.

Best of luck with it. Most of you are mentally ill.

Should Kuihman be put on the registry for encouraging his community to identify my non-intentionally leaked nudes and harrass me over them (to this day)? Just wondering how far this registry extends. We can just leave it to abusive if you want.

Hey, this is a concerning story. I obviously don't want to be signal-boosting that kind of behavior, nor hypocrisy that sweeps it under the rug.

Can you tell me more about this? You can reply here or DM me, but I'd like to see proof of him encouraging that if it's available.

There was an accidental leak of a nude pic of me without my face. We tried to do what we could to get rid of the evidence as fast as possible & these people were doing everything they could to quickly log and identify the nudes. Kuihman, Chud Logic and other spicy chatters....
